WELCOME TO LEGACY TOWERS

Legacy Towers is synonymous with the emergence of a new urban lifestyle, with stunning residential towers setting the stage for an exquisite way of life complete with comfort and luxury. The two residential towers marry classic and modern design in timeless harmony. Its interior is equally spectacular, with well-appointed, spacious one and two bedroom apartments and terraces that overlook a beautifully landscaped complex and the radiant city skyline.

Well-connected, spacious, ultramodern and appealing structures, specially designed. Lavish arrangement of spaces. Close to the Hinjewadi IT hub and firms like Persistent Systems, Infosys, Wipro, Cognizant, Siemens, Tech Mahindra, Tata Consultancy Services, Panchshil Tech Park, yet far away from the usual traffic, parking and infrastructural woes, Legacy Towers is set to become the brightest star on Pune's skyline.
